transmitted publications/explanations, "Figur" means Figure. or illustration(s). Since this translation now points out in English the relevant portions of the citations listed in the German Patent Office Search Report, and since the US patent and the European patent are in the English language, no further concise explanation is required under 1138 OG 38.

A PTO-1449 form is presented listing the 5 submitted references.

Translations of the German language references are not available to the undersigned.

This submission meets the requirements of 37 CFR §1.96, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
